How to get to the stadium

Shuttle buses

The Club will make available to fans a series of free shuttle buses to complete the journey to the stadium. The buses will depart from two separate points to reach the Estadi Lluís Companys; close to Plaça Espanya (metro L1-L3) and on Carrer del Foc.

These buses will be divided into convoys of three every four minutes, which will allow them to make a continuous circuit and maximise journeys.

Funicular

Another method of public transport that allows access to the stadium is the Montjuic Funicular, which can be taken from the Paral·lel metro stop on lines L2 and L3.
