Perhentian Island Resort is an ideal beach resort for a leisurely family vacation in Malaysia. Surrounded by lush greenery, facing white sandy beaches and a warm blue sea, Perhentian Island is a holiday paradise not to be missed.

Perhentian Island, or Pulau Perhentian as the locals call it, is well known as a marine paradise and forms a parts of the National Marine Park of Malaysia. In the surrounding areas of Perhentian Island Resort, you will find many things to see and do. Take a jungle trek up the hills under a canopy of large trees, and you might see wild magpies, giant fruit bats or the Nicobar Pigeon.

Perhentian Island lies along the flight path of this migratory bird. You might also see the harmless monitor lizard or even the unique Lutong monkey species. The nearest jungle trail is less than 100 metres away from our resort. Or gather your family and head to the inviting sea for a swim. For those who enjoy snorkelling or scuba diving, the Resort is strategically located, fronting a coral-rich bay.

The marine ecosystem of this area is well documented and held in high regards by snorkelers and scuba divers. If you come between June and September, you might get lucky and see giant green turtles laying eggs along the beach.

Enjoy your next family holiday at this paradise beach resort, where reality is like a dream.
