MEET THE DISNEY ADVENTURE

When Guests step aboard the *Disney Adventure* — the first *Disney Cruise Line* ship to sail from Asia — they'll find themselves at the heart of an unforgettable journey. As the voyage begins and fantasy takes hold, their dream vacation becomes a dazzling reality — where every moment is both a journey and a destination. Through the magic of imagination, discovery, fantasy, and — of course — adventure, this spellbinding voyage will enchant Guests with memories that only Disney can create. And no matter where the magic may guide them, the stories will stay with them forever.

SEVEN THEMED AREAS Unique to the *Disney Adventure*

Disney Imagination Garden

Guests begin their unforgettable journey aboard the *Disney Adventure* at *Disney Imagination Garden* — an open-air enchanted valley, charming garden, and unique performance venue all in one. Here, Guests will be inspired to create magic of their own and open the door to the next chapter of their adventure.

Disney Discovery Reef

At *Disney Discovery Reef*, beloved underwater stories from Disney and Pixar come to life in an open-air breezeway lined with eateries, bars, and cafés. As the sun sets, this mesmerizing retreat transforms into a bioluminescent paradise.

Town Square

Town Square is dedicated to celebrating royals from across the magical realms of Disney, featuring a beautiful bronze statue of Snow White standing gracefully in front of the ship's woodland wishing well. In this enchanting realm, Guests can dine like Disney royalty, unwind at quaint cafés and lounges, or discover whimsical keepsakes at delightful shops.

San Fransokyo Street

San Fransokyo Street is a family entertainment area inspired by the lively city from Disney's "Big Hero 6," where the vibrant energy of Tokyo meets the laid-back charm of San Francisco. This dynamic space, designed like a bustling street market, is brimming with interactive arcade games, activities, shops, cinemas, and more.

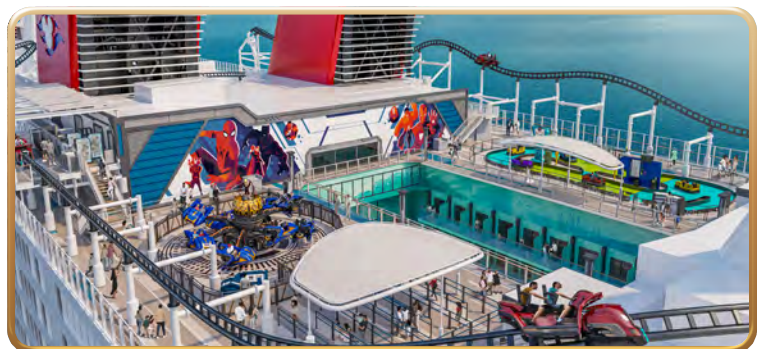

Wayfinder Bay

Guests can follow their hearts to *Wayfinder Bay*, an open-air retreat inspired by Disney's "Moana" featuring a pool, a bar, and spacious amphitheater seating, doubling as a unique performance venue with interactive events and captivating live shows.

Toy Story Place

Spanning the upper decks of the *Disney Adventure*, *Toy Story Place* is home to a family pool, multiple whirlpools, and an array of water attractions including the *Flying Saucer Splash Zone*, *Toy Story Splash Pad* for little ones, and *Woody and Jessie's Wild Slides*. Guests can also enjoy ample seating around the sundeck and catch entertainment on two jumbo *Funnel Vision* screens.

Marvel Landing

This mighty area on the upper deck of the ship celebrates the larger-than-life personalities from the Marvel Universe. Whether they're new recruits or seasoned Super Heroes, Guests can command supercharged hero technology on three dynamic attractions: *Ironcycle Test Run*, *Pym Quantum Racers*, and *Groot Galaxy Spin*.
